Alternate Rating - Satisfactory Progress  
(2018-2019 School Report Card)

Some of the specific education programs offered to eligible students who are enrolled in and attending the District's schools include the following:

- Early childhood special education (for students who are at least 3 years old, but not yet school-age)
- Special education for students with disabilities
- English as a Second Language program
- Gifted and Talented programming
- Career and Technical Education (CTE) programs
- Individualized program and curriculum modifications
- Alternative education program(s)
- At-risk education (e.g. for students identified as being at-risk of not graduating from high school)
- Summer school programming
- Online learning

The full version of the District's most recent school and school district accountability report, as issued by the Wisconsin Department of Public Instruction under section 115.385 of the state statutes, can be accessed via the following page on the District's website (if the report has been issued by DPI):

<http://wisedash.dpi.wi.gov>

Educational options for students who are enrolled in the SPAPSD that involve part-time attendance at an educational institution other than a school of the SPAPSD include the following:

- Early College Credit Program, which
  - Provides opportunities to apply for approval to take up to two (2) courses at a time at certain institutions of higher education;
  - Is subject to state and local eligibility requirements, including the limitation that the course(s) must satisfy a high school graduation requirement; and includes certain District-approved dual credit opportunities that the District offers in conjunction with a partner institution of higher education.
- Start College Now Program, which
  - Allows high school students meeting certain age and other eligibility requirements to attend a technical college.

Additional educational options for children who reside in the District that involve full-time enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the SPAPSD include the following:

- Full-time Open Enrollment involving physical attendance in a public school of a nonresident school district or attendance through a virtual charter school that is associated with a nonresident school district.
- Children with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program," as established under section 115.7915 of the state statutes.
- Enrollment in a private school of the family's choosing (at the family's own cost, as applicable).
- Enrollment in a home-based private educational program as provided under state law.

Educational options for children who reside in the SPAPSD, but who are enrolled in and attending a private school or home-based private educational program include the following:

- Summer school classes/programs offered in the District.
- Private school students, in the junior and senior high school grades, have the opportunity to apply for approval to take up to two courses per semester in a District school, pursuant to section 118.145(4) of the state statutes.
- Students who are enrolled in a home-based private educational program have the opportunity to:
  - Apply for approval to take up to two (2) courses per semester in public schools as provided under section 118.53;
  - Participate in District interscholastic athletics and other District extracurricular activities as provided under section 118.133.

For more information about any of the educational options listed in this notice, please contact the District's main administrative office at 715-345-5444 or the Wisconsin Department of Public Instruction.
