SPAPSD Families:

I am writing to update you on additional school year calendar changes that are necessary for the District to recoup lost instructional time and meet DPI requirements for school schedules following the Friday, March 15 school closure due to flooding.

Changes are as follows:

- **June 7** - Last Day for Elementary Students (Elementary Day 1)
- **June 10** - Last Day for Secondary Students

A friendly reminder that **April 22** had previously been added as a student attendance day.

If the District encounters additional school closing days during the remainder of the 2018-2019 school year, additional days will be added. These will be communicated if we need them.

We appreciate your patience and flexibility as we continue to balance student safety, the weather and our educational objectives.

Sincerely,
