The District strives to communicate and work together with the parents and guardians of the students we serve. The use of e-mail has become an excellent tool for convenient two-way communication between parents/guardians and teachers.

This communication may include student grade information, non-statute based attendance, or non-statute based discipline information of your minor child. Unless permitted by law, the District does not intend for such email communication to include notices related to truancy, suspension, expulsion, special education, or student health records. Though today's technology is quite secure, we cannot guarantee that an e-mail sent from the District e-mail server will remain secure once it leaves our system.

This notice does not include directory data disclosure.

If you do NOT want your student's teacher communicating with you via email, please contact your school office for an opt-out form.
