

SPASH Lunch Release

2023-2024

SPASH Lunch Release is a privilege granted by parents and SPASH administrators to students to leave school grounds during their scheduled lunch. The goal of this privilege is to give students the opportunity to demonstrate responsibility, independent judgment, and positive citizenship. SPASH Lunch Release is an important privilege and will last only as long as students treat it respectfully.

Expectations

- Parents/Guardians and the student must complete and return the SPASH Lunch Release Form.
- When using this privilege, students must return to school on time for the next class period. Excessive tardies may result in loss of privileges.
- Students may not spend their lunch period sitting in vehicles or driving around the school campus.
- Students may be required to show their ID upon request when leaving the building. Students without their current ID may be required to stay in the building.
- Students are expected to conduct themselves in a responsible manner and be respectful to homeowners, merchants, and their properties.
- Students are expected to use designated entrances upon exiting and entering the school.
- Students may not transport ineligible students off campus during SPASH Lunch Release.
- Students not in good standing (grades, attendance, disciplinary problems) will have their requests denied or revoked.

Be aware that during the student's exercise of the SPASH Lunch Release privilege, the school's administration may not know the destination, whereabouts, and/or activity of the student; however, the student is still bound by the policies and expectations as outlined in the student handbook and will be subject to disciplinary action for violations.
