WELCOME!
Summer School 2020

Summer School in the Stevens Point Area Public School District offers students a variety of exciting opportunities. With the unusual circumstances this year, our programs look different and our goals have changed however we are still looking to offering meaningful and fun opportunities to your students.

Summer School courses are available in the Stevens Point Area Public School District to students who have completed grades 4K – 12. Summer courses are an extension of the current school year. Students should be registered for summer courses based on the grade completed during the 2019-2020 school year.

We are looking forward to working with you this summer in whatever way we are able to see you this summer!

If you would like additional information or have questions regarding summer courses, please contact us at:

- summerschool@pointschools.net
- Summer School Office: 715-345-5465

REGISTRATION & PAYMENTS

GENERAL REGISTRATION INFORMATION:
Students are registered for summer school courses based on the grade they are currently enrolled in.
Registration will only be accepted online. Late registrations may be accepted if additional space remains.
Registration will not be accepted by telephone. If you do have questions, please contact us:

- summerschool@pointschools.net
- Summer School Office: 715-345-5465

Online Registration will be available through Skyward Family Access for those students currently enrolled in the Stevens Point Area Public School District.

Online registration will be available through the Summer School website for students not currently enrolled in the Stevens Point Area Public School District.

REGISTRATION DATES
Monday, May 18, 2020 at 8:00 a.m.
Online Summer School Registration Begins

Friday, June 5, 2020 at 4:00 p.m.
Online Summer School Registration Closes

CLASS CANCELLATIONS:
A course may be cancelled if there is insufficient enrollment.

ELIGIBILITY:
Any student whose legal residence is within the boundaries of the Stevens Point Area Public School District or are open enrolled during the 2019-2020 school year may enroll in the Stevens Point Area Summer School Program. Students whose legal residence is outside of the boundaries of the Stevens Point Area may enroll in the Stevens Point Area Summer School Program for a fee of $125 per summer school course.

FEES: There will be no material fees charged for summer school 2020 courses.
IN-PERSON SUMMER SCHOOL PROCEDURES:

TRANSPORTATION (BUSING):

Students in grades 4K - 8 are eligible to receive District transportation (busing) to and from summer school at Jefferson, PoDS(Kennedy), Madison, McKinley, and Ben Franklin.

In order for students in grades 4K-2 to receive district transportation, the pick-up and drop-off address must be within the summer school attendance area boundary.

Jefferson: Jefferson and McDill attendance area for grades 4K-2
PoDS: Kennedy attendance area for grades 4K-6
Madison: Bannach, Madison, and Washington attendance areas for grades 4K - 2
McKinley: McKinley, Plover-Whiting, and Roosevelt attendance areas for grades 4K - 2
Ben Franklin: Students in current grades 3-8

If you are unsure which Summer School site your student should attend in order to receive District transportation, please contact the District Transportation Department at 715-345-5477.

Please Note: District Transportation is NOT available for the following summer school courses:

- Music Lessons
- Camp Invention
- Panther Fitness

Registration for Summer School busing will take place in Skyward Family Access. Please register for busing at the same time you register your student for summer school courses.

ATTENDANCE:

Daily attendance for In-Person Session is important for all classes. When students are ill or miss school unexpectedly, parents should call their students' summer school office to report the absence.

Jefferson: (715) 345-5418
PoDS: (715) 345-5566
Madison: (715) 345-5419
McKinley: (715) 345-5421
Ben Franklin: (715) 345-5413

EARLY PICK-UP:

If your student is leaving early, please send a note to his/her teacher.

WITHDRAWAL FROM CLASS:

Email summerschool@pointschools.net or call your student's summer school office if your student no longer wishes to attend class.

Additional Questions? Please email summerschool@pointschools.net

Additional Questions? Please email summerschool@pointschools.net
The Jumpstart to Kindergarten program is for students who are in 4K now or will be entering kindergarten in the fall. This program continues to build on the skills covered in 4K and prepares students for kindergarten. Teachers will establish a structured and nurturing online environment for young children. Children will be involved in many hands-on activities integrating art, music and physical activities, social-emotional learning, and STEAM.

This program is open to all students who are in 1st grade now. This program incorporates reading and math skills into a balanced enrichment program encouraging students to function in their everyday lives by solving problems, acting as responsible citizens and helping friends and neighbors. Teachers will establish a structured and nurturing online environment for young children. Students will be taught that they can make real changes with the right mindset, courage and compassion in their heart for others. Children will be involved in many hands-on activities integrating art, music and physical activities, social-emotional learning, and STEAM.

This class is a class designed for students eager to learn more about the positive impact dogs have in our communities. Interested students should love dogs! During this course, students will learn about different breeds, basic dog care, training techniques and general dog behavior through a variety of resources, canine guests, presenters and virtual community outings.

Students will also have opportunities to demonstrate newly acquired character traits through interactive lessons focusing on serving their community alongside canine(dog) companions.

Click [here](#) to get a sneak preview from a special guest.

*Please Note: Busing is not available.*

Imaginations will soar this summer in the all-new Camp Invention® program, Elevate! Campers in grades 1st - 6th will spark their creativity and build collaboration skills while controlling their very own flight simulation robot, protecting Earth's ecosystems, designing the ultimate sports complex and learning the value of their ideas! Local educators will lead fun, hands-on STEM activities inspiring children to ask questions, overcome obstacles and be confident in their innovative ideas. Take a peek inside our camp by visiting: www.youtu.be/KqXfn6DvUkg or www.invent.org/programs/camp-invention for more information.

This summer we have opened up more slots due to popularity, but space is limited. Before and After care is available on site for an additional fee to Camp Invention. If interested, ask about this opportunity when you sign up.

Registration for Camp Invention is only available by calling 800-968-4332.

*Please Note: Busing is not available.

Looking for a summer opportunity to build leadership skills in a dynamic, invention-based setting while mentoring children that just completed kindergarten through fifth grade? Come join us! While at Camp Invention, LITs work with Camp Invention® Instructors to become subject-matter experts in their module(s). Throughout the week, LITs will set goals, reflect on their experiences, and adapt leadership techniques. LITs also help set a tone of excitement and team spirit, facilitate activities as needed, engage participants in the experience, support participants in problem solving and assist in providing a safe environment. Looking forward to seeing you this summer! Visit www.invent.org/programs/leaders-in-training for more information.

Registration for Camp Invention is only available by calling 800-968-4332. Space is limited.

*Please Note: Busing is not available.
